

Warranty Statement:

This Warranty Statement applies to End Users, Original Equipment Dealers, Groeneveld-BEKA Distributors and EP-1 System Re-seller Partners. For units sold and installed within the Australasia Market.

Note: this statement does not apply to systems factory installed by the Original Equipment Manufacturer refer footnote for definition.

First Year Warranty Agreement:

There is a one year 3000 hr manufacturer warranty on all components and workmanship for a one year period from the date of installation.

This warranty includes

:

- Replacement of Groeneveld-BEKA parts due to faulty manufacture.
- Replacement of Groeneveld-BEKA parts which have been installed in such a way that normal machine operation caused the failure.
- Reasonable Travel & Labour costs incurred for the warranty repair to be actioned and completed. (Groeneveld-BEKA approved labour rates only).
- Freight costs incurred (road freight costs only) for the warranty replacement parts to be shipped to the customer.

This warranty does not include:

- Replacement of Groeneveld-BEKA parts deemed faulty by damage or neglect.
- Replacement of machine components which have been damaged through neglect, misuse or lack of regular system inspection.
- Consequential damages or replacement of machine components which have been damaged through failure to manually supply lubricant to grease points in the event of a system malfunction.

Second and Third year Manufacturers Parts Warranty Agreement:

Groeneveld-BEKA has developed its own grease specifically for use in its Automatic Greasing Systems. Should a customer choose to use the advantage of extended Greenlube warranty, Groeneveld-BEKA Greenlube EP2 must be used exclusively in the system. If Groeneveld-BEKA Greenlube is used exclusively a Major parts only extended warranty is agreed upon and extended to:

Three years or 6000 machine hours on major components from date of installation.
(see table #1)

This warranty extension includes:

- Replacement of Groeneveld-BEKA major component parts due to faulty manufacture.

This warranty extension does not include:

- Replacement of Groeneveld-BEKA parts deemed faulty by damage or neglect.
- Travel and labour charges to all warranty service calls or warranty repairs after two years or 3000hrs of service from date of installation, whichever comes first.
- Replacement of machine components which have been damaged through neglect, misuse or lack of regular system inspection.
- Replacement of machine components which have been damaged through failure to manually supply lubricant to grease points in the event of a system malfunction.
